Discover the Easiest Swing in Golf
An introduction to the greatest philosophy in golf coaching today!
Wednesday 30th March - Friday 1st April 2016 Golf Park Puntiró
Your Hosts - Brian Sparks & Sean Herron

Golfers around the world of all ages and all levels are back in love with golf. However, it is the senior golfer, in particular, who has benefitted so much from Brian’s simple philosophy, built around the famous danse-du-golf™ movement.

Brian will share with you how to:
• Swing with comfort and economy of effort yet hit the ball further
• Extend your golfing days
• Enjoy your golf more than ever before
• Play golf without damaging your body

He believes that contemporary teachers have not learnt from the greats such as Bobby and Ernest Jones, Ben Hogan and Jack Nicklaus and even cause older golfers to develop uncomfortable swings and give up the game before they should.

Join Brian & Sean and learn just how easy it can be!

Places on this course are strictly limited to 8 people, so be sure to reserve your place quickly.
